CLEAN ENERGY
BRIGHTER
TOMORROWS

Andhra Pradesh
BRIGHTER
BY NATURE

Savings That Make the Decision Easy

Subsidy, EMI and real-world results

In many cases, your EMI can be lower
than your current electricity bill.

SAME SUN
LOWER BILLS
BRIGHTER
TOMORROWS

1 PM Surya Ghar Subsidy

Government support that makes solar more affordable.

1 kW

₹30,000

2 kW

₹60,000

3 – 10 kW

₹78,000

RWAs with
common meter

₹18,000
per kW

Heliocity handles the paperwork.

2 Finance & Payback

Smart financing. Faster returns. Greater savings.

EMI available via
government banks
and Bajaj Finance

Typical payback:
approximately
4 – 5 years
after subsidy

Up to **90%**
electricity bill
reduction

Real customer result:
₹5,500/month
to **₹300/month**
